Graduate Scholarships

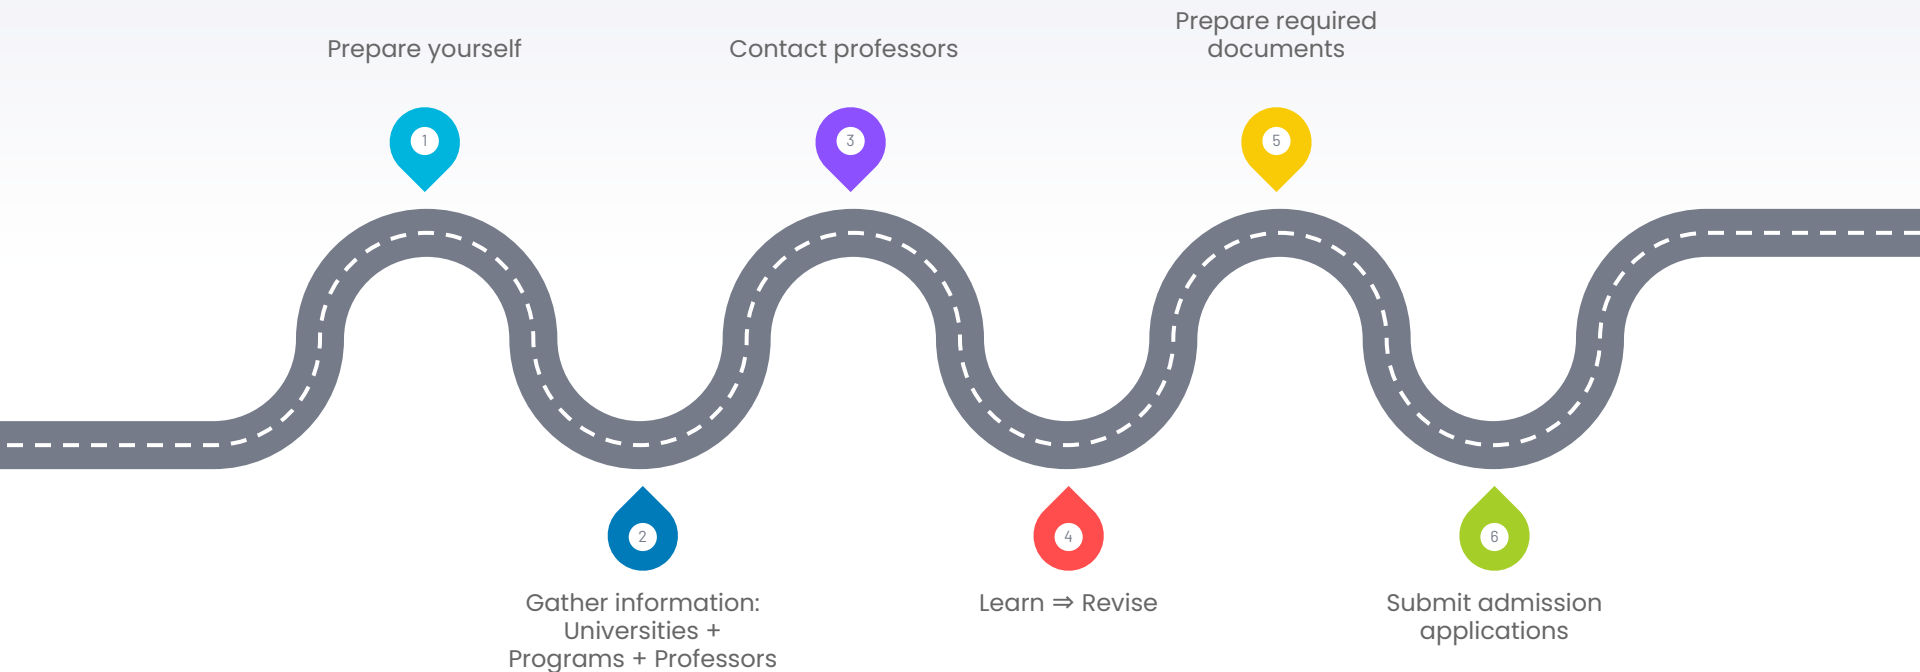

Masters and PhD degrees

► Funding options

- ▶ Scholarship/Fellowship
- ▶ Research assistantship (RA)
- ▶ Teaching assistantship (TA)

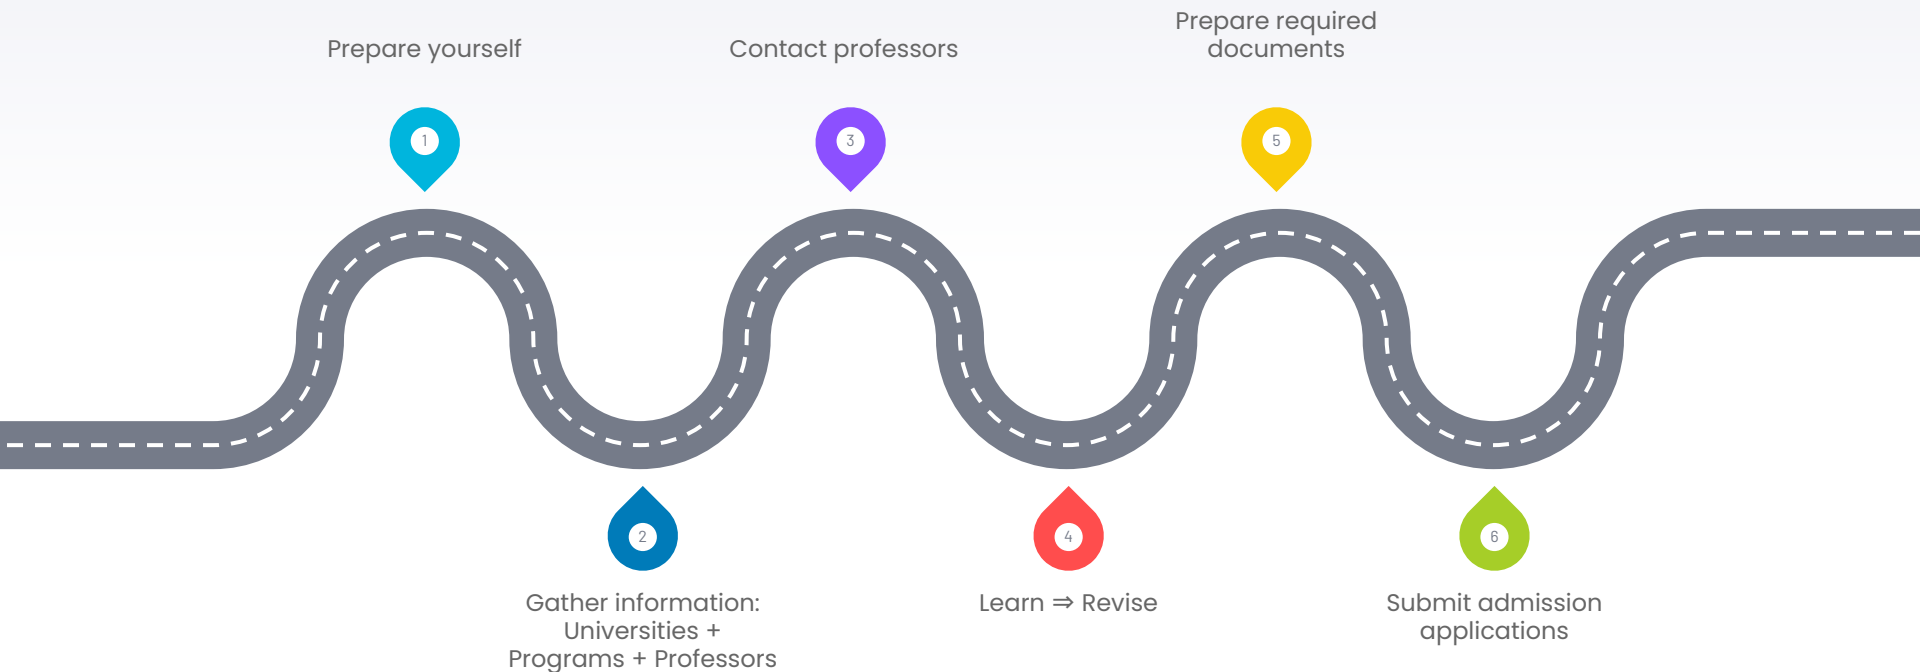

Roadmap

► Prepare yourself

- ▶ Academic excellence (e.g., \geq very good GPA)
- ▶ Language Tests (e.g., TOEFL, IELTS)
- ▶ Other tests (e.g., GRE)
- ▶ Research activities
- ▶ Volunteer work

Roadmap

► Prepare documents

- ▶ Transcripts in English (in sealed envelopes)
- ▶ Valid language scores
- ▶ Recommendation letters
- ▶ Statement of purpose (SoP)
- ▶ Other required documents

▶ Recommendation Letters

Pick someone who will write you a strong letter:

- ▶ Ask them first
- ▶ Not a bad idea to guide them
- ▶ Elaborate more on your research/projects

▶ Statement of purpose (SoP)

A.K.A Statement of intent, personal statement, statement of interest

- ▶ Not about your life story rather a research statement
- ▶ Not too long (1-2 pages)
- ▶ Focus on:
 - ▷ Your area of interest + research/experience + what looking for

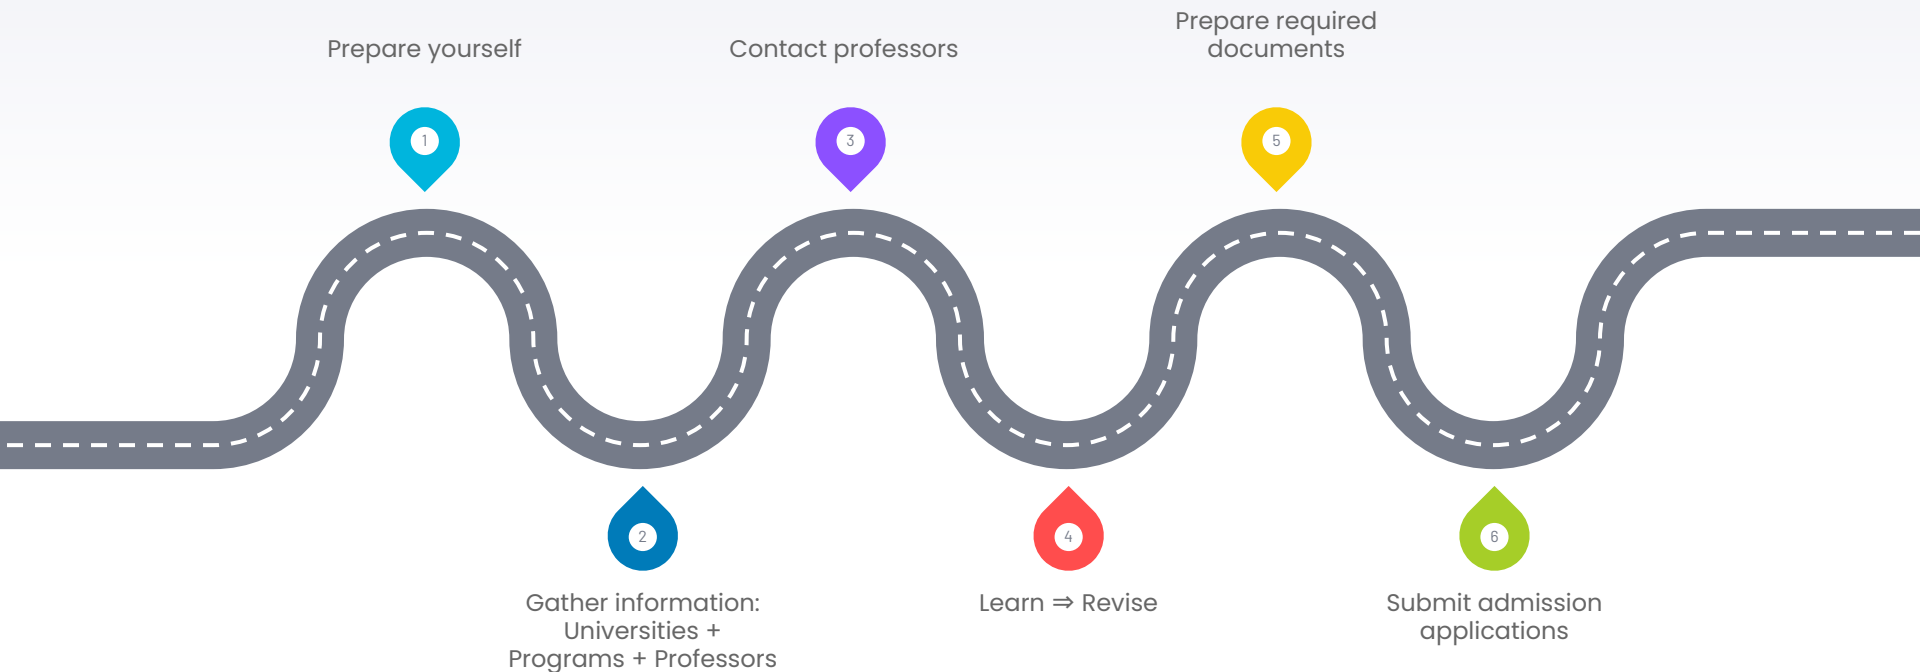

Examples:

Mitchell Gordon went to Stanford computer science PhD

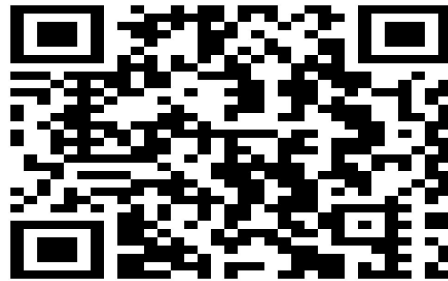

Philip Guo went to Stanford computer science PhD

How to Write a Bad Statement for a Computer Science Ph.D. Admissions Application
