Submit admission applications

Prepare documents

- ▸ Transcripts in English (in sealed envelopes)
- ▸ Valid language scores
- ▸ Recommendation letters
- ▸ Statement of purpose (SoP)
- ▸ Other required documents

Recommendation Letters

Pick someone who will write you a strong letter:

- ► Ask them first

- ► Not a bad idea to guide them

- ► Elaborate more on your research/projects

Statement of purpose (SoP)

A.K.A Statement of intent, personal statement, statement of interest

- Not about your life story rather a research statement
- Not too long (1-2 pages)
- Focus on:
  - Your area of interest + research/experience + what looking for
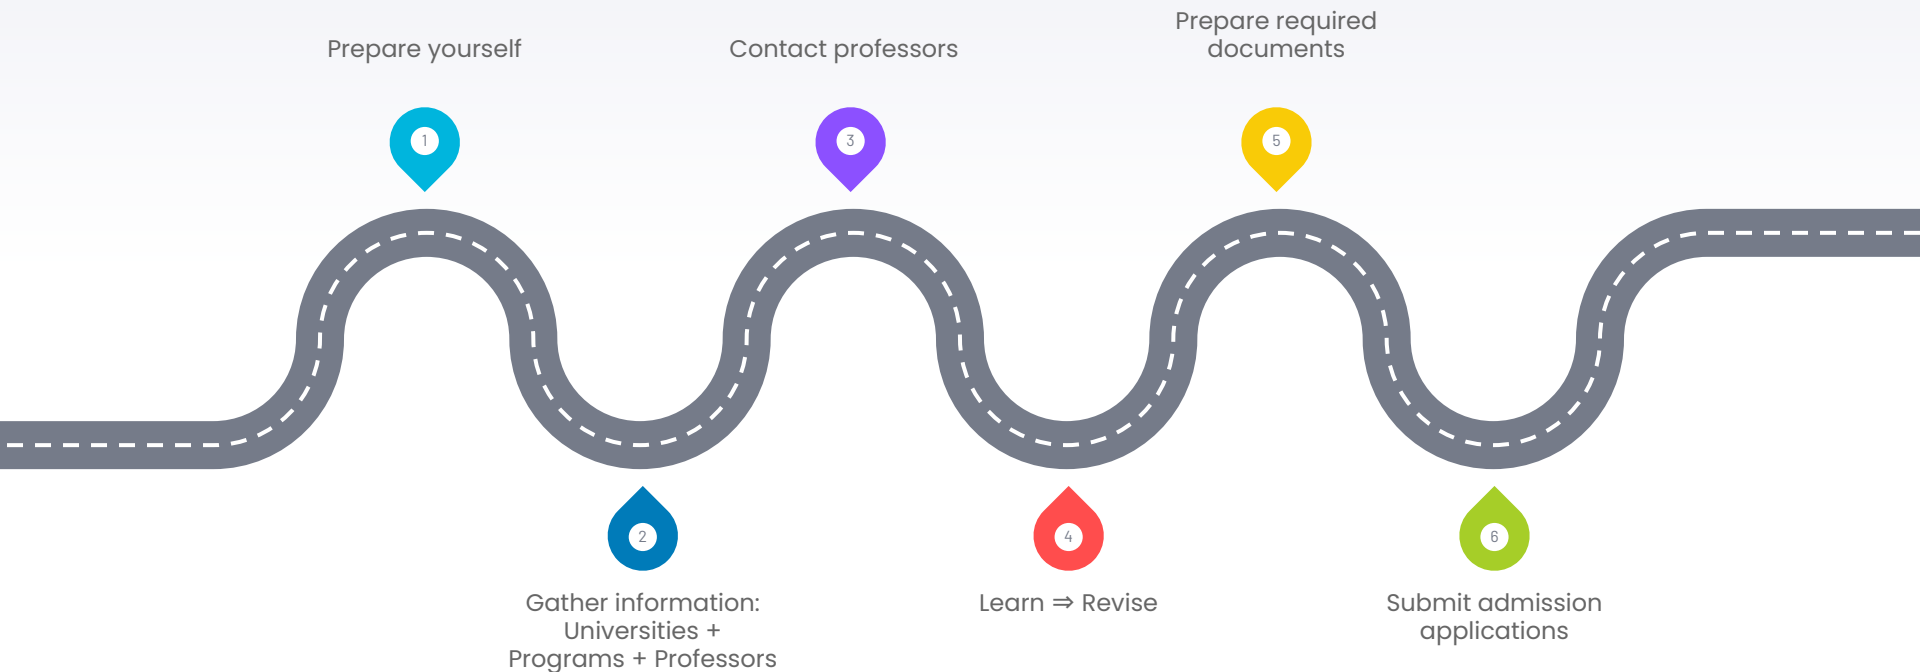

Examples:
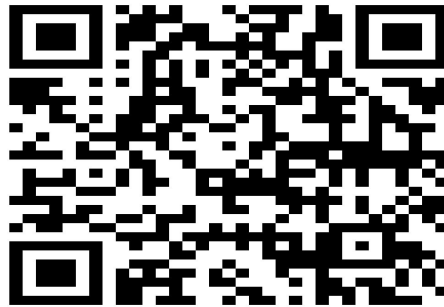

Mitchell Gordon went to Stanford computer science PhD
Philip Guo went to Stanford computer science PhD

How to Write a Bad Statement for a Computer Science Ph.D. Admissions Application
